

JUSTIN SHARP MEMORIAL SHOOTOUT

TOURNAMENT SPONSORSHIP

Justin Sharp, a former basketball player at Rock Island High School, passed away December 12, 2003 after a battle with leukemia. Because of Justin's love of basketball, this summer high school basketball tournament takes on additional meaning for those who knew him.

In its second year, the Sharp Shootout added the Leukemia Research Department at the University of Iowa Hospitals as a benefactor of money raised from this event.

This year, the fourth for the tournament, there will be 32 teams participating, with the majority of the teams being from the Quad City regional area. The tournament is Friday and Saturday July 10-11, 2009.
